~~The Secret Life of Salvador Dalí - Wikipedia~~

Salvador Dalí was thirty-seven years old when he completed this autobiography, his book of secrets, he says. He had become at this more mature age a serious Christian, a Catholic to be exact, and his quest for heaven was really all that mattered to him by then besides the love of his life, Gala, his personal fame and glory, his home and possessions, and the faith in God that has eluded him all his life.

Get this from a library! The secret life of Salvador Dali. [Salvador Dalí; Haakon Chevalier] -- This early autobiography, which takes Dalí through his late thirties, is as startling and unpredictable as his art. On its first publication, the reviewer of Books observed: "It is impossible not to ...

This startling early autobiography takes Dalí through his late 30s and "communicates the...total picture of himself (Dalí) sets out to portray" — Books. Superbly illustrated with over 80 photographs and scores of drawings.

This startling early autobiography takes Dalí through his late 30s and "communicates the snobbishness, self-adoration, comedy, seriousness, fanaticism, in short the concept of life and the total picture of himself (Dalí) sets out to portray" ? Books. Superbly illustrated with over 80 photographs and scores of Dalí drawings and sketches.

Salvador Dali's first volume of autobiography, completed in 1941, comprises one of modern art's most revelatory - and revolutionary - literary documents. Encompassing Dalí's birth, childhood and adolescence, during which we learn of the crucial events and influences which moulded his unique perspectives on life, art, sexuality and philosophy, THE SECRET LIFE goes on the record the artist's meteoric ascendancy to global renown - starting with the Surrealist movement in 1920s Paris, and culminating in his conquest of America in the 1930s. This new edition of THE SECRET LIFE is updated, corrected and fully illustrated, with over 30 images in full colour and another 80 in black and white, including Dalí's original line drawings. It also includes a chronology of the artist's life from 1904-1941.

Sensible artistic advice and lively personal anecdotes in rare important work by famed Surrealist. Filled with Dali's outrageous egotism and unconventional humor, insights into modern art and his own drawings in the margins.

Salvador Dalí at Home explores the influence of Catalan culture and tradition, Dalí's home life and the places he lived, on his life and work. Dalí was born in Figueres and was deeply connected to the area. Fully illustrated with over 150 illustrations of his famous work, as well as lesser known pieces, archive imagery, contemporary landscapes and personal photographs, the book provides uniquely accessible insight into the people and places that shaped this iconic artist and how the homes and landscapes of his life relate to his work.

Surrealist painter Salvador Dali was one of the most important artists of the twentieth century, as well as a cultural figure who challenged convention. This heavily-illustrated book is a fascinating foray into the life and works of a man whose ability to reveal the gap between reality and illusion was a huge influence on artists and pop culture.

This classic text stands as one of the seminal works of Surrealism, revealing the most astonishing and intimate workings of the mind of Salvador Dali, the eccentric polymath genius who became the living embodiment of the 20th's century most intensely subversive, disturbing and influential art movement. This volume covers his life from 1952 to 1963 and includes a brilliant and revelatory essay on Dali, and the importance of his art to the 20th century, by acclaimed author JG Ballard.
