~~Kit Davenport Series by Tate James -~~  
Goodreads

The story continues in The Tigers  
Ambush and Kit and the boys discover  
more about what she is and what they are.  
The action continues as does the romance  
and the steam factor gets high. For a fairly  
new author Tate James is doing an  
amazing job of telling a rich, multi  
dimensional story that will suck you in and  
drag you along for the ride and nowhere  
along the way are you going to want to get  
off it.
