Edited by Internal Medicine Chief Residents from the Washington University School of Medicine and Barnes-Jewish Hospital in St. Louis.

Service and maintenance procedures for walk behind mowers.

Now in its thoroughly revised, updated Seventh Edition, this popular Spiralr Manual is a practical, accessible guide to the diagnosis and treatment of skin disorders. The book concisely but thoroughly outlines the pathophysiology, symptoms, clinical findings, assessment, and therapy of each disease and offers detailed guidelines for choosing among therapeutic options. Also included are step-by-step instructions for operative procedures and diagnostic and therapeutic techniques. A complete and up-to-date formulary provides information on medications and other products used in dermatology, including pharmacology, dosage, and packaging. A color atlas section adds to the usefulness of this classic therapeutic text.

Service procedures for lawn and garden tractors manufactured through 1990.

**Sustainability: What It Is and How to Measure It** begins with a succinct business-focused summary of how to think about the risks and opportunities associated with sustainability. The author then includes his proprietary framework, The Corporate Sustainability Scorecard™ C-suite rating system, including the over 140 key sustainability indicators that are used to rate an organization's sustainability efforts. Each KSI includes examples from organizations around the world, giving the reader a complete and unbiased understanding of all aspects of sustainability. The Scorecard has been developed over the past

20 years and used by more than 70 corporations to rate themselves on sustainability. Gilbert S. Hedstrom illustrates the use of the Scorecard with hundreds of examples. He discusses sustainability transformation, governance, and strategy and execution. Social responsibility and environmental stewardship form important parts of his discourse in this important contribution to the debate on sustainability that will benefit business executives and those interested in sustainability and business.
