The latest entry in the popular In an Afternoon series focuses on quick and easy techniques for paper mosaics—a simpler method than the tile and glass versions, but equally attractive. Written by highly regarded author Marie Browning, it's sure to become the next Afternoon success. Here is everything you need to get started: information on supplies and tools, including the different kinds of available paper, trimmers, backings, and coatings; how-to instructions on the basic techniques (cutting to size, assembling the pieces); numerous photographs; and projects—such as a Poker Box and Marbled Oval Tray—designed to build skills even as they inspire. A Selection of the Crafters Choice Book Club.

Start making beautiful crafts from polymer clay! Art Makers: Polymer Clay for Beginners is your step-by-step guide to making trinkets, animals, plants, and more using this fun, easy, and kiln-free craft. Polymer Clay for Beginners introduces artists, art hobbyists, and polymer clay enthusiasts to the versatile, accessible polymer clay medium. Because polymer clay does not require the use of a kiln and needs only baking in the oven, it is an easy, approachable art form for even the most inexperienced artist to learn, as well as kids, families, teachers, and anyone else looking for a fun, boredom-busting hobby or craft. Professional artist and owner of Cat Bear Express, Emily Chen, demonstrates how to make adorable animal figurines, flowers, cookies, cakes, beads, and more through easy step-by-step projects. Each project features colorful, styled photographs demonstrating how finished pieces can be used, displayed, and gifted. A comprehensive tools and materials section and detailed information on techniques, baking, and glazing guide artists in their quest to become polymer clay pros. A modern approach to sculpture art, polymer clay is the perfect choice for beginners and crafting enthusiasts. The Art Makers series is designed for beginning artists and arts-and-crafts enthusiasts who are interested in experiencing fun hands-on mediums, including embroidery and papier-mache.

Clay So Cute! shows how one of the easiest mediums—polymer clay, which need only be baked in the oven—can be sculpted into quick, simple, totally fun jewelry and accessories for tween girls—including bangles, pocket mirrors, earrings, chunky bead necklaces, and cute charms. Clay So Cute! teaches simple, step-by-step illustrated techniques to make 21 tween- and teen-friendly projects that are more sophisticated than "kid stuff," but trendier than the pieces found in adult clay books—from robot key chains to polka-dot ponytail holders. Using only a few simple tools and updated colors, Sherri Haab has created a collection of eye-catching jewelry and accessories that crafty girls will love. Whether making them yourself or with mom or a friend, there's a project in here that you won't be able to resist—and that all the girls in your class will want, too! Among the projects are: Cupcake Charms Japanese Fun Foods Bottle Cap Necklace Wishing Stone Jewelry
