"A must-read for anyone in higher education, human resource development, or adult education. This impeccably researched book reflects an encyclopedic and intimate knowledge of innovative adult higher education programs and provides an impressive historical context for such programs. It will be a classic sourcebook for anyone in the field." --Howard Y. Williams, professor emeritus, Human Resource Development and Adult Education, University of Minnesota "A comprehensive, careful, and compelling study of adult learners and learning today. Lifelong Learning at Its Best demonstrates why education--from cradle to grave--is so important to our society in coping with the demands of burgeoning technology, addressing global competition, and recognizing the need for ongoing job retraining. It should be required reading for leaders in education, business and industry, and policymaking." --C. Wayne Williams, president, Regents College It is widely accepted that lifelong competency in today's world requires lifelong learning. Schools, colleges, and workplaces have responded to this new reality by implementing educational and training programs. But which programs really work? Drawing from data gathered by the Commission for a Nation of Lifelong Learners--in a study directed by prestigious educational and business leaders--William Maehl offers strategies that have been most successful with adult learners across the nation. From Georgetown University to Toyota, he describes winning program models and all their components. Organized under such key learning objectives as competence, collaboration, and self-directedness, these success stories reveal the specific instructional, organizational, financial, and other program components that make the greatest difference in learning outcomes. For staff attempting to improve existing programs or for teams building new ones, this resource has all the practical ideas you need to design effective solutions.

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads naturally to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.
