This beautifully illustrated coloring and activity book for kids contains an enticing selection of images of Butterflies and Winged Bugs paired with beautiful patterns on the coloring pages. The Winged Bugs are engaged in unusual activities for insects. They may be painting a fence, delivering a package or playing or dancing to music in a field. Some of the pages have a Butterfly flying above large flowers with patterns on their petals. There are mandalas based on tiny butterflies or flowers. All designs are printed on a single side, with a blank page behind, to assist with removal for framing or display and minimize bleed through. All of the Winged Bugs have fun names and a very short story about what they are doing on the pages they appear on. It includes mazes where kids can help a Butterfly find their way to flowers to pollinate. There are a Word Search and Crossword Puzzles to engage them to think more about the Winged Bugs they color in this book. There is an Answer Key for all of the puzzles at the end of the book. This coloring and activity book will provide your children with many hours of creative coloring and puzzle solving fun. It is the ultimate coloring and activity book to give as a very special gift for a cool kid that you know and love! So, if you are looking for a fun, detailed and interesting insect coloring book for a child or "big kid" that loves coloring, then this "Butterflies and Winged Bugs Coloring and Activity Book" is the book for you! It is just one of the books in the "Critters Activity Series" of coloring and activity books by Julia L. Wright from HieroGraphics Books.

This book of 50 word search puzzles is the first volume based on the theme of 'The Natural World' which covers everything from the fastest animals to well-known waterfalls, insects to British birds, and much more besides. It has been printed in Very Large Print, in bold, on white paper for ease of reading. Each over-sized puzzle has its own page (on the right) with the list of words on the opposite page (on the left) so you can see both without having to turn the page. Solutions can be found in the back of the book. Each puzzle and its solution has its own title.

Word searches aren't just a handy way to keep your child quiet for five minutes; they also boost their learning in some surprising ways. Reinforce Spelling, In order to complete the word search, your child will need to be able to spell the words correctly. As they circle the word, they will see each letter, and reinforce how to spell words correctly. Extend their Vocabulary, The more words your child sees, the more they will ask what it means, in turn, increasing vocabulary. Boost their Memory, The more new words that come into your child's brain, the more they will try to memorize the words. The more you learn, the better you get at remembering things. 70 fun and educational word search puzzles A different theme for each puzzle. Large-print word searches for easy searching of words. Pictures to color with every puzzle Specifications: Cover Finish: Glossy Dimensions: 8.5" x 11" Interior: White Paper Pages: 72

Author J. C. Wilson compiles 117 puzzles that cover over a thousand persons and items related to outstanding Black achievements throughout history. Look up, down, and diagonally to uncover a "hidden treasure" of the names of Black achievers in a wide range of interesting topics such as arts and entertainment, business, civil rights, communications, education, literature, politics, sports, and many more. Sharpen your pencils and test your wits as you delight in discovering new and exciting trivia facts about individual pioneers such as Hazel Scott, Biddy Mason, Nat Turner, Max Robinson, James Meredith, Paul Laurence Dunbar, Garrett A. Morgan, Shirley Chisholm, Joseph Willis, Jack Johnson, and many more. A brief achievements profile and biographical index at the end of Giant Word Search Puzzle Book of Notable Black Firsts and Facts provides quick information about all of the individuals featured throughout this compilation of brainteasers. The book also contains a fun multiple choice/true or false quiz that highlights many Black accomplishments. Every question and answer is challenging and educational!

Some of the interesting insects illustrated and described are grasshoppers, bees, butterflies and fireflies.

Edible insects have always been a part of human diets, but in some societies there remains a degree of disdain and disgust for their consumption. Insects offer a significant opportunity to merge traditional knowledge and modern science to improve human food security worldwide. This publication describes the contribution of insects to food security and examines future prospects for raising insects at a commercial scale to improve food and feed production, diversify diets, and support livelihoods in both developing and developed countries. Edible insects are a promising alternative to the conventional production of meat, either for direct human consumption or for indirect use as feedstock. This publication will boost awareness of the many valuable roles that insects play in sustaining nature and human life, and it will stimulate debate on the expansion of the use of insects as food and feed.

This beautifully illustrated coloring and activity book for kids contains an enticing selection of images of Adventurous Ants paired with beautiful patterns on the coloring pages. The Adventurous Ants are engaged in unusual adventures for ants. They may be exploring a jungle, celebrating birthdays, floating down a river or traveling to the moon. Some pages have a dot-to-dot image surrounded by a patterned design border to color. All designs are printed on a single side, with a blank page behind, to assist with removal for framing or display and minimize bleed through. All of the Adventurous Ants have

fun names and a very short story about what they are doing on the pages they appear on. It includes mazes where kids can help an ant find their way out of an anthill. There are a Word Search and Crossword Puzzles to engage them to think more about the Adventurous Ants they color in this book. There is an Answer Key for all of the puzzles at the end of the book. This coloring and activity book will provide your children with many hours of creative coloring and puzzle solving fun. It is the ultimate coloring and activity book to give as a very special gift for a cool kid that you know and love! So, if you are looking for a fun, detailed and interesting insect coloring book for a child or "big kid" that loves coloring, then this "Adventurous Ants Coloring and Activity Book" is the book for you!
